Spacious 2 Bedroom! Well-maintained 2-bedroom 2-bathroom home with vaulted ceilings and bay windows - making this home bright with natural light and the perfect place to relax and unwind! The front of the home has plenty of living space for all. The spacious primary bedroom can fit all your furniture and has double sinks in the on-suite bathroom. The kitchen comes with laminate floors, plenty of countertop space, cabinets for storage and a built-in breakfast table! Lastly, the landscaping is desert landscaping with mature plants making it easy to maintain. Call today to schedule your private showing of this home!
